Our Mission

Founded in 1984, The Children's Wish Foundation is a uniquely Canadian charity that helps Canadian children, families and communities by granting the heartfelt wish of a child diagnosed with a life-threatening illness. With every wish that we grant, we create moments of joy that ease the pain of a child, give respite to the child's family, and connect healthcare professionals and communities in that burning wish of hope. Your legacy gift will help ensure we never decline an eligible child their unique wish.
